Objectives

The event aims to present in detail the **Interreg NEXT MED Call for Green Transition Projects**, worth **€83.7 million in European Union's contribution**. This initiative aims to foster cooperation across the Mediterranean with a view to addressing **critical climate challenges** while promoting sustainable growth, adaptation, resilience and just transition. During the event, participants will learn about the call's topics and features, rules for participation, budget issues, use of the e-application form and tips for successful project development.

More information about the call for proposals, open until **15th of April 2025** (1pm CET), can be found [here](#).
