DECLARATION OF ABSENCE OF CONFLICT OF INTEREST

I, the undersigned *< name and surname >* in relation to the assignment to the functions of Assessment board *< voting member – internal assessor – external evaluator >* in the framework of the selection process of the 2nd call for proposals of the Programme Interreg NEXT Med, published on 14 January 2025;

under my own responsibility, pursuant to articles. 46 and 47 of Italian D.P.R. n. 445/2000, having seen the list of applicant and partners organisations participating in the call for proposal;

AWARE

of the sanctions foreseen by articles 75 and 76 of Italian D.P.R. n. 445/2000 in case of false acts or declarations;

of the obligation to abstain from making decisions or carrying out any activity in the presence of conflicting interests and to give timely written communication to the chairperson of the Assessment Board;

HEREBY DECLARE

ABSENCE OF CONFLICTS OF INTEREST

(art. 6-bis of Italian Law no. 241/1990 and art. 7 Code of conduct of the Sardinia Region)

that the assigned functions and activities

<please tick the chosen option>

☐ are in conflict

☐ are NOT in conflict, not even a potential one

with one or more of the following interests:

- personal, spouse, cohabitants, relatives or in-laws up to the second degree
- of people with whom I have regular relationships
- of individuals or organizations with whom I or my spouse have pending litigation or serious enmity or significant credit or debt relationships
- of individuals or organizations of which I am guardian, curator, attorney or agent

NEXT MED

- of bodies, associations, including unrecognized ones, committees, companies or establishments of which I am a director or manager or in which I holds corporate and/or representative roles;
- of any nature, even non-pecuniary, such as those deriving from the intention of wanting to satisfy political, trade union or hierarchical superior pressure

In case there is a conflict:

- indicate the activities or proceedings affected by the conflict
- specify the type of conflicting interests and the subjects to which they refer
- indicate whether it is a concrete and current conflict of interest or only a potential one

| |
|--|
| |
| |
| |

and furthermore:

<please tick the chosen option>

- ☐ that I have
- ☐ that I have NOT

further "serious reasons of convenience" (as referred to in art. 7 of Italian DPR 62/2013 and art. 7 of the Sardinia Region Code of Conduct)¹ to be communicated to the Administration.

In case there is a conflict, specify further circumstances identifying a potential conflict of interest

| |
|--|
| |
| |

I undertake to update this declaration and to promptly communicate to the Chairperson of the Assessment board any change in personal circumstances or any fact that may generate a situation of conflict of interest with respect to the function and activities performed.

¹ Examples of "serious reasons of convenience": financial or patrimonial interests or relationships or acquaintances between the subjects involved, of considerable importance even if indirect or previous / of particular intensity even if not habitual; circumstances that may interfere with the serenity of judgment or influence the free self-determination of the employee/subject who carries out activities for the Programme; interests or relationships of any nature, no longer current and dating back over time but of particular importance for the subjects involved.
