MERAVIGLIA

MERAVIGLIA project – CFLC (Italy) is looking for a Technical Assistance Consultant for WP1

Within the framework of the **MERAVIGLIA – Mediterranean Entrepreneurship's Real Added Values to Innovate and Green Local and Inner Areas** project, funded by the **Interreg NEXT MED Programme**, **CFLC – Cooperativa Formazione Lavoro e Cooperazione (Italy)**, Project Partner 7, is launching a call for external expertise to identify an **external consultant for technical assistance and project management support**.

The selected consultant will provide **technical assistance to WP1 – Management and Coordination**, supporting CFLC in the implementation of project management and financial monitoring activities, in close cooperation with the Lead Partner and the project partnership.

Scope of the assignment

The assignment includes, among others:

- support to project coordination and management activities;
- support to financial monitoring and reporting;
- support in the use of the **JEMS platform**;
- liaison with project partners, the Joint Secretariat and the Managing Authority;
- support in ensuring compliance with Interreg NEXT MED financial and eligibility rules.

Expected profile

Applicants should demonstrate:

- **at least 10 years of experience** in managing Interreg projects (as Lead Partner and/or Project Partner);
- proven experience in **project and financial management** of EU-funded projects;
- **professional fluency in Italian**, required for operational collaboration with CFLC;
- **good working knowledge of English and/or French**;
- good knowledge of **Interreg procedures and JEMS**;

- availability to ensure effective operational support, preferably with a base in **Genoa (Italy)** or the ability to guarantee a regular on-site presence.

Contract value and duration

The maximum budget for the assignment is **EUR 22,000 (all-inclusive)**.

The duration of the assignment will be consistent with the needs of WP1 and the project implementation period.

Application procedure

Interested candidates are invited to consult the **full call for proposals published on the CFLC website** and submit their application within **7 calendar days** from the date of publication.
