Project : « Enable, Upgrade and Spread Employability, Entrepreneurship and
Digital Skills of the Eastern Mediterranean youth through dedicated university
centers »
EUSEEDS_A_T_3.1_0172

Reference :

Publication date: 22 December 2025

Submission deadline: 9 January 2026

The purpose of this call for tenders is to select an external financial auditor responsible for auditing all expenditures incurred by Enroot (Cairo, Egypt) within the framework of the project "EUSEEDS_A_T_3.1_0172", co-funded by the European Union under the Interreg NEXT MED Programme.

The audit will be carried out by an organisation or an independent expert officially authorised in the Country to perform financial audits. Enroot will provide the external auditors with full access to its premises and to all necessary documents. Audit services will cover the entire implementation period of the EUSEEDS_A_T_3.1_0172 project, up to the closure of the implementation phase.

The auditor must carry out the assigned tasks in accordance with the implementation procedures established by the Interreg NEXT MED Programme.

1. About the EUSEEDS Project

The EUSEEDS project has been selected for co-funding by the European Union up to EUR 2,499,564.20 (89%) under the Interreg NEXT MED Programme. The total project budget, including partner co-funding, amounts to EUR 2,808,499.10.

The project is implemented across five Eastern Mediterranean countries to strengthen youth employability and digital skills.

It foresees the establishment (creation or revitalisation) of 20 university centres across five countries (Cyprus, Egypt, Jordan, Lebanon and Palestine) to enhance professional integration and digital competences among young people.

These centres, located on university campuses in areas with significant social needs, will provide sustainable services (during and beyond the project):

- Internal services for universities (for students and recent graduates): employability and digital skills training, micro-certifications, and pre-incubation schemes for student entrepreneurship projects;
- External services for vulnerable community members: digital literacy and professional training delivered by students, accessible to surrounding communities.

Consortium :

The project is led by AUF Middle East, acting as lead partner of a consortium composed of:

- Partner 1: Center for Social Innovation (Cyprus);
- Partner 2: Enroot (Egypt);
- Partner 3: Aix-Marseille University (France);
- Partner 4: Jordan Youth Innovation Forum (Jordan);
- Partner 5: Forward Digital Mena (Lebanon);
- Partner 6: Palestine Information and Communications Technology Incubator (Palestine).

Project duration : 3 years

Start date : 27-08-2025

End date : 26-08-2028

2. Purpose of the Call for Tenders

The purpose of this call is to select an external auditor to carry out the audit of all expenditures incurred by Enroot during the implementation of the project "A_T_3.1_0172_EUSEEDS", co-funded by the European Union.

Enroot is Partner number 2.

The total eligible direct costs budget for Enroot (Partner 2) for the entire duration of the project amounts to 316,600 euros.

The auditor must fulfil all audit requirements of the project. This includes six semi-annual expenditure verifications, the production of reports, and compliance reviews in line with programme guidelines.

3. Tasks of the Auditor

- Provide all required audit deliverables for the EUSEEDS project, in line with the project reporting schedule;
- Conduct six expenditure verification audits (one every six months) for the project's financial documents, in accordance with Interreg NEXT MED audit guidelines and national eligibility rules, using the mandatory financial reporting and expenditure verification templates provided by the programme;

- Prepare six expenditure verification reports (one per reporting cycle), certifying the completeness and accuracy of the submitted documentation. Each report must be drafted in French (the legally binding version) and include a full English translation;
- Carry out semi-annual reviews of financial performance and compliance, identifying financial risks, red flags, or areas for improvement;
- Ensure consistent quality across all six audit reports;
- Maintain regular and smooth communication from the outset with the financial and coordination teams of Enroot, ensuring prompt access to documents, explanations, and clarifications.

4. Timeline

Report	Period Covered	Deadline for Final Report Submission	Deadline for Submission to Managing Authority
