Tender Documents

- Part A - Instructions to Tenderers;
- Part B - Contract and Special Conditions;
- Annex 1 - Technical Specifications;
- Tender Forms; and
- any clarification or addendum issued by TALOS before the submission deadline.

Submission

The Tender shall be submitted in three clearly separated parts: **Part A - Administrative, Part B - Technical Offer, and Part C - Financial Offer.** The Financial Offer must be submitted separately and must not appear in the Technical Offer. Full submission instructions are provided in Part A.

Clarifications

Questions shall be submitted in English to the procurement contact by the clarification deadline. Material responses will be provided in writing to all invited Tenderers and, where applicable, through the same publication channel.

Important Notice

Tenderers are responsible for reviewing all Tender Documents and submitting a complete Tender before the deadline. Late Tenders shall be rejected. Issue of this Invitation does not oblige TALOS to award the Contract or reimburse Tender preparation costs.
